

## Greenmount Primary 50<sup>th</sup> Celebrations

We have some great commemorative items available for the 50<sup>th</sup> Anniversary of schooling at Blackboy Hill, so this order form can be used for 1, 2 or 3 options. Please return each appropriate section of the form to the office, in an envelope with appropriate cash payment.

### Tea towels

If you haven't seen the tea towels yet, they look amazing – every child's face depicted on a high quality tea towel. There is a sample on the P&C noticeboard or in the office, but with limited availability, they are only available while stocks last!

Pay and pick up at the school office @ \$12 each or \$20 for 2.

### Inscribed Bricks

Thanks to generous sponsors Brikmakers, students have had the opportunity to engrave bricks with their names, dates and creative flair. Their bricks have been fired and some will be used to create a commemorative seating arrangement within the school, which will also house a time capsule. If you would like your child's brick to be included, there will be a \$10 contribution per child.
