**Money Incursion for Mathematics**

This term many classes throughout the school have been learning about money. To go along with this, some classes had the opportunity to have the Commonwealth Bank conduct a workshop with their class. Many of these workshops included interactive information for students on how to save and spend money. This included establishing when it is best to spend money on needs and wants. The students thoroughly enjoyed these incursions as they got to participate in a hands on way when learning about money.

**Thank you**

A huge thank you to Shane Grabbi, Donna Forrest and Emma Spinks for all their hard work painting the Medical Room. A great job, well done!

ChickPox

Please be aware that there had been a confirmed case of chicken pox in the school.

Shane missed the photographer.
Greenmount Primary School basketball team (nicknamed the Greenmount Giants) were excited to enter the Kalamunda Cup Basketball Competition for the second time. Our first game was against Landsdale Primary Mixed. All players settled their nerves by playing well and burning off a lot of energy.

Our next game was against Bannister Creek Primary. They were a well-oiled crew and showed that they were in contention for the title.

Our third game was against Midvale Primary. Our boys played strong defence but went down to a fast scoring Midvale attack.

Our last pool game was against Beechboro. It was a nail-biting, see-sawing affair throughout the game. The Greenmount Giants prevailed in the end.

The next phase of the competition was the cross over finals. Unfortunately, Greenmount did not progress to the Championship stage.

We did have one major goal to achieve. Our goal was for everyone to score. At this stage we had three members yet to post a score. We were cheering for every shot that went up. Finally, we achieved our goal of everyone scoring, during our second cross over final.

Greenmount finished in the top 5 with 3 wins and 3 losses.

It was a great team effort. As always Greenmount Primary displayed great sportsmanship.

Safety House Committee - Safety House Month is coming up soon in September. There will be some activities planned closer to the month to raise awareness of the Safety House Initiative in our school community. In the meantime, we are organising a Contact Number Card bulk order for the students. For just $2 your child will receive a tag similar to a credit card size and material, it will state the child’s first name and 2 contact numbers and the Safety House logo. The tag can be kept in their school bag. Order forms went home with the students last week, all orders need to be returned by Friday 30th June. Please place cash payment with order form into an envelope and place inside the front office P&C letterbox. Spare forms are available in the office. The Safety House Contact Cards will be ordered over the school holidays and will be available early term 3. All proceeds will go towards the provision of Safety House Month events. Colouring Competition forms have gone home today.

Bookclub Committee - Thank you to everyone who placed orders for issue 4. The orders should be delivered to the school and distributed to the students before end of term.
