## Dear Greenmount families

# School Review

A big thank you is extended to parents, community members, staff and students who met with the Review Team who visited our school last week. Mr Rixon and Mrs Jackson were very impressed with the openness, enthusiasm and thoughtfulness demonstrated by everyone they had the opportunity to speak with. Over the two days, the Review Team visited classrooms and met with representative groups to gather information about Greenmount Primary School, particularly how we are progressing towards achieving targets outlined on our Business Plan 2015-2017. They were provided with a great insight into school processes and also afforded the opportunity to experience our wonderful sense of community! It is expected that early next term, their report and findings will be available for sharing with the School Board and all members of our school community.

## LOST PROPERTY

Last week, our student Councillors sorted the mountain of clothing collecting in the Lost Property baskets. Where possible, school jumpers and other uniform items were returned to owners. Unfortunately the bulk of clothing did not have identifiable names on them and we still have two baskets filled with uniform items – many in excellent condition.

If you are aware that your child has misplaced a school top or trackie pants, please check the baskets located in the Admin doorway. Any items not claimed over the next few days will be donated to the school's uniform shop.

It is with great sadness that we wish a fond farewell to Mrs Vicki Lewis who has worked at our school for 12 years. Thank you for your outstanding work. We will all miss your friendly, happy nature. Mrs Lewis has secured a position at Wembley Downs Primary School working, once again, as a Special Educational Needs Education Assistant. We wish her all the best in her new job. Good Luck!!!!

## Room 9 Assembly

An energetic and entertaining assembly was enjoyed by all last Friday when Room 9 presented an item around a 'waterwise' theme. The assembly was part of Greenmount Primary school being recognised for its 10<sup>th</sup> year as a waterwise school. In attendance were Hon. Michelle Roberts MLA, Mr Russell Lamb and Ms Emma Williams from the Water Corporation.

The school foyer has also been decked out with celebratory balloons and beautiful work completed by the Year 2 and Year 3 students of Room 9. Photos and details will be up on our website shortly.

## Science Week 2017!

Much fun and learning was had during this year's Science Week at GPS.

Every student in the school got to make ooey gooey slime while learning about this fun chemical reaction and using their observational skills and language in a very hands-on chemistry activity. Thanks to all the teachers who made time for this fun science in their busy schedules.

The canteen ladies were well and truly swept off their feet on Thursday as they served up over 130 Science Week Meal Deals! A huge thanks to Toni for joining in with the Science Week fun.

Well done to all the students who put in entries for the colouring in competition...judging was really hard as the quality was super high! Congratulations to the winners from each year level.

A huge number of quiz entries came in from junior, middle and upper groups and it looks like we have a big number of budding biologists coming up from the junior primary.

Well done to the winners of the quizzes!

Mrs McGlew ☺
