Dear Greenmount families

Writing Competition

Students in many classes have participated in a writing competition where they were asked to write about a person who inspired them the most. The responses have been an absolute delight to read! People that students selected as ‘inspirational’ were inventors, authors, sport stars, musicians and heartening to note that mums, dads and teachers featured also.

The work of teachers in developing students’ skills in writing persuasive text was also very evident in the work presented as the writers were successful in explaining very clearly how they had been inspired using wonderfully descriptive language.

Winners will be announced at Monday’s mini assembly, but a resounding congratulations to all students who submitted work to the competition for the high standards demonstrated.

Use of Staff Car Park

Signage at the entry to the staff car park indicates, the car park is not to be used for dropping off or picking up of students. While there are two designated ACROD bays in the car park, they are reserved for cars displaying ACROD stickers or a School Authorisation card, not for general use.

Unfortunately, parents with a genuine need to access these marked bays have been inconvenienced by a small few who have used the bays without the authority to do so. The school has issued a School Authorisation card to parents who also need to access priority parking, and who have been shown the appropriate bays which they can use. Should you require special consideration for parking access, please discuss this with Admin directly.

Your cooperation with parking responsibly around the school is appreciated, as the safety of all students entering or leaving school grounds is important to us all.

Lucy Webb
PRINCIPAL
School Banking
The Bendigo Bank School banking is on a Monday from 8.30am - 9.00am in the Uniform Shop. Teach your children about saving. Beginning in Term 4, School Banking will be open for business in Weeks 2, 4, 6, 8, and 10.
Massed Choir Festival 2016

Congratulations to all students involved in the recent Massed Choir Festival Performance at Winthrop Hall! It was an absolutely fantastic concert and I was very proud of all students for singing so beautifully and representing Greenmount so admirably. A special thank you to parent helpers Diane White and Naomi Bauer for accompanying students on the bus, and Alex Atkins for taking some lovely photos. A special thank you as well as to Natalie Astle for her time and support at the concert.

Congratulations to Mason Milne who has been accepted into the Aviation Specialist Program at Morley Senior High School.

WORLD VISION
Sponsor a Child

Alan Eduardo from Peru, our sponsor child, has been supported by the school through gold coin donations from various fundraisers. He has now turned 18 and is taking a course to enable him to apply for University to study mechanical engineering.

Thank you to all children and families within the Greenmount community who have given invaluable support for Educardo.
Safety House News

Monday’s Safety House Show and Sausage Sizzle events were a great success. The KK to Year 1 enjoyed the show and quite interactive and answering all the questions with the Presenters. We would like to extend a thank you to all the volunteers who helped out with the sausage sizzle lunch. The Safety House Hunt that took place on Tuesday was met with beautiful spring weather and lots of excited students when finding the houses on their maps. We would like to thank all the safety house’s for joining in, many of whom are parents/family members of the students at the school. It was great to get familiar with where our safety houses are located. We have been trying to bring back the Safety House Initiative into our community over the last couple of years and it was great to see such a good reception by all. All completed maps will have been handed in to the student councillors outside the office area at lunchtime.

Disco Night - Our Kids had lots of fun at the Disco on Friday 9th September. There was lots of dancing, games, food and Glow fun. A big Thank you to all the parents and caregivers who volunteered on the night. These kind of events for the kids can only happen with parent help. Please consider putting your hand up to help when we next need volunteers, so the P&C are able to keep these events going.

Faction Sports Carnival Cake Stall - Faction carnival is Friday 28th of October, we will be running a cake stall and sausage sizzle again this year. We are welcoming donations for the stall as well as volunteers needed to help out on the day. Keep an eye out for roster lists early next term.

Scholastic Bookclub - Orders are due back and will be distributed before the end of term.

Don’t forget our ongoing fundraisers

www.bubbler.com.au
Easy Fundraising for Your School!
5% of each purchase comes back to Your School
Just nominate Greenmount Primary School when finalising your purchase.
