VOLUNTARY CONTRIBUTIONS & CHARGES 2025

Financial support provided by parents has always played an important role in the provision of resources that add value to students' learning experience at Greenmount Primary.

This support has included voluntary contributions, stationery as well as payments for optional activities, such as excursions.

The Greenmount School Board has approved the following schedule of voluntary contributions and charges for 2025. The schedule is broken into four sections:

1. Voluntary contributions
2. Items for personal use
3. Voluntary approved funds
4. Charges for optional extra components

1. VOLUNTARY CONTRIBUTIONS

The Greenmount School Board has approved a voluntary contribution of

\$50.00 for each child

Your voluntary contribution is an important investment in your child/children's education. Families experiencing any difficulty in meeting this voluntary contribution are urged to contact the school office as soon as possible to discuss alternative payment arrangements.

Contributions generated will supplement school expenditure in the following ways:

English: reading and library resources to support Guided Reading programs.

Mathematics: materials for mathematics, focusing on problem solving and 'hands on' activities.

The Arts: continue supporting the excellent programs and help fund the purchase of equipment and consumable resources.

2. ITEMS FOR PERSONAL USE

These include:

3. CHARGES FOR OPTIONAL EXTRA COMPONENTS

A breakdown of estimated **charges** for your child's participation in incursions, excursions, activities etc. for 2025 has been included in the schedule attached. The amounts indicated on the schedule represent the **maximum** charged for scheduled activities for 2025. As in the past, you will be asked to make payment for each activity as it approaches. **Alternatively contact school to arrange a continued payment plan.**

The charges schedule includes costs associated with specific learning activities that are available to **all** students, but conditional on a payment being made, e.g., incursions, excursions.

Specific learning activities are available to **selected** students, but conditional on a payment being made e.g., PEAC, School of Instrumental Music program etc.

Other activities are available to students but conditional on a payment being made.
e.g., school camp, dance etc.

All payments are preferred via online payment into the school's bank account.
