31st August 2022

Dear Greenmount families,

Welcome to Spring ! It has been wonderful to see all of students enjoying this beautiful sunshine.

Our Book week parade that was held last Thursday was incredible. The student councillors had a really challenging job choosing our winners as there were so many original, creative costumes ! Please check out some of the photos we took on the day. A huge thanks to our councillors for running the Parade. A huge thanks also to Mrs Dobson, our Librarian for organising such an incredible Book week book fair. The library was transformed into a wonderland of incredible books for our students to purchase. Mrs Dobson was delighted to report that \$3,264 worth of books were sold— an excellent result!

We make time to ask...

RUOK?
A conversation could change a life.

Next Thursday the 8th September Greenmount PS will again be having a day of activities to generate

awareness for R U OK day. Students are encouraged to wear YELLOW free dress and bring a gold coin donation to support the Parkerville Children's Home. There will be a range of exciting activities running throughout the day including Dance, chalk drawing on the pavement, Music, print making, mindfulness activities, board games and tabloid sports on the oval. Teachers will be delivering lessons throughout the week to raise awareness around the topic of mental health and how to support friends and family.

This Friday the drama students from Swan View SHS will perform their annual Book week plays for our PP-4 students. The plays will be performed in the library at 12.15pm.

Fun, Friends & Adventure

GIRL GUIDES IN AUSTRALIA IS...
Community based and meets outside school hours, mostly on a weekly basis during school term. By meeting locally in groups (Units) with their peers, our girls have fun, develop friendships, experience adventure and challenge themselves to try new things by stepping outside of their comfort zone.
They become a member of a small team (Patrol) within their Unit—building a sense of belonging, encouraging teamwork, helping girls to grow in confidence and have a voice. With the support of an amazing team of volunteer female leaders (yes you can be one), we believe we can fulfill our mission.

BEING PART OF A GLOBAL MOVEMENT...
The World Association of Girl Guides and Girl Scouts, we have access to cutting edge contemporary projects with a focus on leadership and creating opportunities so "all girls are valued and take action to change the world". There are 10 million Girl Guides and Girl Scouts in 145 countries.

GIRL GUIDES GO PLACES
The long term benefits are significant. Guides go on to do great things in their local communities and future careers. There's also the chance to travel and participate in worldwide Guide initiatives.
#GirlGuidesGoPlaces

WE PROVIDE A UNIQUE GIRLS ONLY SPACE...
Contemporary research shows that girls need girl only activities to develop their potential. In single gender environments girls tend to be more independent and more positive about their gender. In a mixed group, girls often take a subordinate role in physical activities, and may not assert their opinions or compete with boys for leadership positions.
