Think U Know Cyber safety workshop

Last night Greenmount PS ran a 'Think U Know' Cyber safety Parent Workshop. The session was run by Ben Vernon an Australian Federal Police officer. Thanks to all the parents that attended. It was a highly informative session covering the devices and applications that children are using that are connected to networks and the dangers of online predators through these devices. Ben gave us all an insight into what children can do online, who they can talk to and what they might be sharing. The big message for parents was to keep the communication lines open with your children, discussing the challenges and dangers of being online and discussing what they can do to ensure their own safety online. Reassuring and encouraging children to seek help and guidance if anything goes wrong was the BIG message for the evening. Thanks to Ben Vernon and Miss Matzkov for organising this informative evening.

Student Pick up and drop off

The Mundaring Shire have called to remind parents and carers to only park where there is a dedicated parking place. This helps ensure the safety of children and other people in our community.

The shire have noticed an increase in illegal parking during pick up times, especially on Remembrance drive by large cars, and have begun issuing infringements.
