GREENMOUNT PRIMARY SCHOOL

17th February 2021

Dear Greenmount families,

Meet with the Teachers

Every year, our classroom teachers organise a time after school to meet with the parents and carers of students in their classes. This is an opportunity for teachers to provide important information about classroom timetables and routines and outline key messages about expectations, behaviour, homework and the learning program. These meetings will take place over the next two weeks. Teachers will inform you of the time/ date for their classroom meeting shortly. Should the classroom meetings clash for those with more than one child, please let the classroom teacher know so that they can prepare an information package for you to read.

As meetings are after school, staff will not be available to supervise students or siblings. We also ask that parents are mindful of meetings being held and minimise noise outside classrooms during this time.

Congratulations parents and carers! How wonderful to see the students throughout the school wearing full Greenmount Primary uniforms. Thank you for your efforts and support in maintaining the high standard we are very proud of. The uniforms definitely complement the beautiful smiles of our students!

We have a cupboard and basket full of lost property waiting for collection. Sadly, many items are not labelled making it difficult for us to return to owners. Please check the basket inside Admin area if your child has 'lost' any items. Remember to- that you can purchase RagTag'd labels from the P&C Uniform shop to 'track' any of your child's lost items.

Parent Helpers

With the Faction Carnival happening in just a few weeks, training and trials will be underway during PE times. If you are interested and available to assist in timing student races over the next few weeks, or to assist with training before school, please contact Amanda Swadling on 0409888842.

Amanda has accepted the challenge of coordinating parent helpers as she did such a wonderful job with this last year! Thanks Amanda.

Sports Update

We were advised yesterday morning by the carnival organisers that only adults assisting or supervising can attend the Cricket competition next week.

Only participating students and school staff can participate.

Our own school Faction Carnival will go ahead as scheduled on March 16, 17 and 19. Parents will be able to attend while being mindful of hygiene and social distancing requirements.

The Inter School Carnival planned for early Term 2 may be rescheduled to a later date. This is yet to be confirmed. Once confirmed, we will inform you of updated details.

Dear parents and friends, I am enjoying seeing and feeling the busy and contented “vibe” at school this past couple of weeks as we get settled into the new term. I have a sense that one of the things we learned from 2020 (and the sudden lockdown at the end of the summer holidays) was how im-

portant school is to our kids’ wellbeing. And as I wander in the playground and chat with staff and kids, it is clear that as a community, we are more thankful for school in general, and to be part of this great school in particular.

I’m sure you will be aware of the busy Term 1 that is planned. I would encourage all parents to make a priority to continue with, or put in place home routines, that support good sleep, family connection time, healthy eating, and necessary tasks (jobs, homework etc). If you would like ideas and inspiration, some very well-respected Australian parenting experts include Maggie Dent, Dr Justin Coulson, The Fathering Project, and of course government resources such as raisingkids.net. Our student services team are always happy to brainstorm with you too J
