VOLUNTARY CONTRIBUTIONS & CHARGES 2022

Financial support provided by parents has always played an important role in the provision of resources that add value to students' learning experience at Greenmount Primary.

This support has included voluntary contributions, stationery, P&C levies, as well as payments for optional activities, such as excursions.

The Greenmount School Board has approved the following schedule of voluntary contributions and charges for 2022. The schedule is broken into four sections:

1. Voluntary contributions
2. Items for personal use
3. Voluntary approved funds
4. Charges for optional extra components

1. VOLUNTARY CONTRIBUTIONS

The Greenmount School Board has approved a voluntary contribution of

\$50.00 for each child

Your voluntary contribution is an important investment in your child/children's education. Families experiencing any difficulty in meeting this voluntary contribution are urged to contact the School office as soon as possible to discuss alternative payment arrangements.

Contributions generated will supplement school expenditure in the following ways:

English: reading and library resources to support Guided Reading programs.

Mathematics: materials for mathematics, focusing on problem solving and "hands on" activities.

The Arts: continue supporting the excellent programs and help fund the purchase of equipment and consumable resources.

2. ITEMS FOR PERSONAL USE

These include:

- | | |
|--|--|
| ❖ Pupil Requirements for all students | e.g. Stationery items |
| ❖ Pupil Requirements recommended but not essential | e.g. art shirt, tissues etc |
| ❖ Pupil Requirements for selected students' | e.g. Graduation T-shirt, photographs etc |

Attached to this notice is the recommended list of materials for your child. While you are not obliged to use our supplier we have negotiated extremely competitive prices from Campion. Orders from Campion can be put in online, faxed or purchased at their store.

3. APPROVED FUNDS

The \$10 payment for each student from Pre Primary to Year 6 to access the Mathletics online program is included.

4. CHARGES FOR OPTIONAL EXTRA COMPONENTS

A breakdown of estimated **charges** for your child's participation in incursions, excursions, activities etc. for 2022 has been included in the schedule attached. Details on charges collected in previous years have guided our 2022 schedule. Students will only incur costs when they are involved in a particular activity. The amounts indicated on the schedule represent the **maximum** charged for scheduled activities for 2022. As in the past, you will be asked to make payment for each activity as it approaches.

The charges schedule includes costs associated with specific learning activities that are available to **all** students, but conditional on a payment being made, e.g. incursions, excursions.

Specific learning activities are available to **selected** students, but conditional on a payment being made e.g. PEAC, School of Instrumental Music program etc.

Other activities are available to students but conditional on a payment being made e.g. school camp, dance etc.

The office will be open on Thursday 27th January 2022 for payment of voluntary contributions.

The Uniform Shop will also be open between 8.30 and 12 noon for collection of uniforms

Credit card facilities will be available.

Thank you – With your support, we look forward to continuing with the excellent programs which promote the learning and development of all our students.
